

# Dual Ikelite Sync Cord for Inon / Sea & Sea Strobes #4118.2

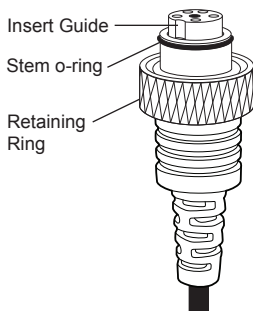

This sync cord connects the female bulkhead connector on the Ikelite camera housing to two (2) Inon or Sea&Sea strobes. The camera and strobes should be set for manual exposure as only the trigger signal is transferred through the sync cord. No TTL exposure automation is offered.

**The connector threads are very fine;  
DO NOT cross thread.  
If it is difficult to turn, you are cross  
threading.**

## Connecting Inon or Sea & Sea Strobes

- Identify the strobe and housing ends of the cord. Turn the strobes OFF and make sure all components are dry.
- Clean and lightly lubricate each stem o'ring and check for nicks or cuts.
- Align the insert guide on the cord connector with the alignment mark on the strobe connector, and insert it into the strobe connector.
- Push the connector body into the strobe connector until it is seated. Align and tighten the knurled retaining ring.

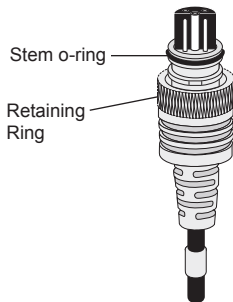

**Inon / Sea & Sea Connector**

## Connecting to the Ikelite Housing

- Make sure all components are dry.
- Clean and lightly lubricate the stem o'ring and the housing connector threads. Check the o'ring for nicks or cuts.
- Note the positioning of the receptacles and pins. Properly align the end of the sync cord and insert it into the Ikelite housing connector.
- Push the connector body into the housing connector until it seats.
- Align and tighten the knurled retaining ring.

**Ikelite Connector**

**Do not** remove the sync cord from the strobe or camera housing underwater or when wet. Connections are **not** waterproof when disconnected underwater.

**Do not** leave the cord connected for prolonged periods. Otherwise, the cord connectors may freeze to the strobe or camera. After each couple of dives, disconnect the cord and lightly lubricate the connector threads. Never use spray lubricants.

**Notice:** We do not offer sync cords for the new six conductor Sea & Sea ettl connector.

## Limited Warranty

This Ikelite product is warranted against any manufacturing defects for a period of one (1) year from the original date of purchase. Defective products should be returned to Ikelite postage paid. Ikelite will, at its sole discretion, repair or replace such products, and will return to customer postage paid. All other claims of any nature are not covered. Except as mentioned above, no other warranty expressed or implied applies to this Ikelite product.
